A screenshot of the Windows 8.1 System Control Panel window. The window title is "System". The breadcrumb navigation shows "Control Panel > System and Security > System". Below the navigation, there is a search bar and a help icon. The main content area is titled "View basic information about your computer". Under "Windows edition", it shows "Windows 8.1 Pro" and "© 2013 Microsoft Corporation. All rights reserved." with the Windows 8 logo. Under "System", there are fields for Processor, Installed memory (RAM), System type, and Pen and Touch. Under "Computer name, domain, and workgroup", there are fields for Computer name, Full computer name, Computer description, and Domain. Under "Windows activation", it shows "Windows is activated" and "Product ID: 00261-8029...". An "About Windows" dialog box is open in the foreground, displaying the Windows 8 logo and the following text: "Microsoft Windows", "Version 6.3 (Build 9600)", "© 2013 Microsoft Corporation. All rights reserved.", "The Windows 8.1 Pro operating system and its user interface are protected by trademark and other pending or existing intellectual property rights in the United States and other countries/regions.", and "This product is licensed under the Microsoft Software License Terms to:". There are also links for "change settings" and "view product key" visible in the background.
